

# Fur to Feathers Pet Sitting Service

## Key Retention

One of our goals at **Fur to Feathers** is to make your trips as convenient and seamless as possible. At the end of your first sit, if you are completely satisfied with the service we provide, then we can make your future trips easier and more expedient.

When **Fur to Feathers** takes possession of your keys\*\*, they are coded so that the keys cannot be matched to your personal information. During your sit, one key is in possession of the sitter (for entry purposes) and the other key is secured in a lock box at our office. If we enter your house using an entry code, then the back-up key is maintained at our office.

With us implementing these precautions we are able to continually retain your keys for future sits. This will eliminate the need for us to pick up and drop off your keys after every visit. This will not only help you, but it will enable us to provide you with exceptional care. At any time, if you wish to start this service, or discontinue this service we will promptly follow your desires.

Again, if you are a repeat client, we ask to keep your keys for future sits. For us to continually pick up and return keys for repeat client(s) a \$4.00 charge will be added to your invoice.

We hope this service will provide you with a benefit that will make taking trips that much easier.
