

# Fur to Feathers Pet Sitting Service

## Key Retention rev 7/2023

One of our goals at Fur to Feathers Pet Sitting is to make your trips as convenient and seamless as possible. At the end of your first sit, if you are completely satisfied with the service we provide, then we can make your future trips easier and more expedient if we retain a key.

When Fur to Feathers takes possession of your key(s), your keys are secured so that the keys cannot be matched to your personal information. If you provide us with any codes (garage door, entry door, security system), the code is also secured.

If we enter your home using an entry code, then we need a back-up key in the event the power is out (e.g., garage digital keypad) or in the event the battery in the digital lock fails. **(Please be sure fresh batteries are installed in your digital lock before you leave).**

With us implementing these precautions, we're able to continually retain your keys for future sits. This will eliminate the need for us to pick up and drop off your keys after every visit. This will not only help you, but it will enable us to provide you with exceptional care. At any time, if you wish to start this service, or discontinue this service, we will promptly follow your desires.

Again, if you are a repeat client, we ask to keep your keys for future visits. For us to continually pick up and return keys for repeat clients, a **\$7-\$10** fee will be added to your invoice.

We hope this service will provide you with a benefit that will make taking trips that much easier.
